17 - 2016	Town of Victor Planning Board	Class: 1
Referral Type:	Site Plan	
Applicant:	SMB ROC LLC / Smashburger	
Property Owner:	Schottenstein Property Group	
Tax Map No(s):	1.02-1-8.000 / PLZA	
Brief Description:	Site plan approval for an outdoor seating area (to seat up to 20 people) at proposed smashburger restaurant at existing Cobblestone Court complex. Project is located at 190 Cobblestone Court off of S R 96 in the Town of Victor.	

COMMENTS:

- Applicant seeking approval to construct an outdoor seating area for proposed Smashburger restaurant located in existing Cobblestone Court complex. The patio would be approximately 700 sq ft and seat up to 20 people. Design has been created to retain as much existing green space as possible.
- Soil Characteristics:
 - Arkport Fine Sandy Loam
 - Permeability: High
 - Erodibility: High
 - Importance: All areas are prime farmland
 - Drainage Condition: Well drained
- According to ONCOR data:
 - No State or Federal wetlands are present on the property.
 - The property is not located within a FEMA floodplain.
 - The property is not located within 500 ft. of an Agricultural District.

Stormwater Management

Though the proposed development is located on well drained soils, it will be taking away permeable surface and replacing it with impermeable surface. It is suggested the design of the patio take in consideration permeable pavers or other materials when constructing to help mitigate stormwater drainage.

18 - 2016	Town of Bristol Town Board	Class: 2
Referral Type:	Map Amendment	
Applicant:	Town of Bristol	
Brief Description:	Revised map and updated text for the L-I districts in the Town.	

Comments will be provided at the CRC meeting.

19 - 2016	Town of Bristol Zoning Board of Appeals	Class: 1
Referral Type:	Area Variance	
Applicant:	Crown Castle/Verizon	
Property Owner:	Ward, Greg	
Representative:	Leja, Andrew	
Tax Map No(s):	123.00-1-56.111	
Brief Description:	Area variance to construct and operate a monopole tower communications facility and ancillary ground shelter. Area variance for proposed 165 ft monopole tower with Town's height requirement of 60 ft. Project is located at 7912 Route 20A in the Town of Bristol.	

COMMENTS:

- According to ONCOR data:
 - No State or Federal wetlands are present on the property.
 - The property is not located within a FEMA floodplain.

Applicant:	Crown Castle/Verizon	
Property Owner:	Ward, Greg	
Representative:	Leja, Andrew	
Tax Map No(s):	123.00-1-56.111	
Brief Description:	Special Use Permit request to construct and operate a monopole tower communications facility and ancillary ground shelter. Area variance for proposed 165 ft monopole tower with Town's height requirement of 60 ft. Project is located at 7912 Route 20A in the Town of Bristol.	

COMMENTS: See referral #19-2016 for project summary and comments.

19.2 - 2016	Town of Bristol Planning Board	Class: 1
Referral Type:	Site Plan	
Applicant:	Crown Castle/Verizon	
Property Owner:	Ward, Greg	
Representative:	Leja, Andrew	
Tax Map No(s):	123.00-1-56.111	
Brief Description:	Site Plan request to construct and operate a monopole tower communications facility and ancillary ground shelter. Area variance for proposed 165 ft monopole tower with Town's height requirement of 60 ft. Project is located at 7912 Route 20A in the Town of Bristol.	

COMMENTS: See referral #19-2016 for project summary and comments.

20 - 2016	City of Canandaigua City Council	Class: 2
Referral Type:	Text Amendment	
Applicant:	City of Canandaigua	
Brief Description:	Text amendment to local zoning ordinance to permit tobacco stores in C-1 Zone Districts. C-1 is Restricted Commercial District zone.	

Text amendment to permit Tobacco Stores in the C-1 Zoning District. Tobacco stores now listed under permitted primary uses. No comments.

21 - 2016	Town of Phelps Town Board	Class: 2
Referral Type:	Text Amendment	
Applicant:	Town of Phelps	
Brief Description:	Text amendment to local code to add topsoil preservation regulations in the Town of Phelps zoning code.	

Class Abbreviations

- AR 1: Administrative Review Class 1
- AR 2: Administrative Review Class 2
- EX: Exempt
- W: Withdrawn

Comments

The Town of Phelps is proposing to regulate the removal of top soil in order to protect its high quality, agricultural soil resources in the R-AG Zoning District. The proposed local law states:

“Sec. 1 Purpose In order to maintain and sustain farming and agriculture within the Town of Phelps, the Town Board finds that the topsoil within the R-AG District is a public asset which should be preserved and safeguarded. The protection and preservation of topsoil is of vital concern to the citizenry of the Town and that its protection will promote and enhance the general welfare of the Town's citizens, now and in the future.”

The proposed law regulates the handling of topsoil which must be removed during an activity that lowers the existing topography. Exemptions are included for normal agricultural operations, construction regulated by a site plan with erosion control and stormwater measures included, and construction of utilities and public roads.

Comments from OC SWCD

The local law is written in a manner that is understandable to the lay person.

The provision in D. 2. that states:

“The Code Enforcement Officer shall not issue any building permit or certificate of occupancy for any property that is in violation of this section and which has not been restored pursuant to paragraph D. 1. herein.”

This is an important provision to ensure compliance.

22 - 2016	Town of Canadice Planning Board	Class: 2
Referral Type:	Site Plan	
Applicant:	Crane, Catharine	
Tax Map No(s):	174.00-2-35.000	
Brief Description:	Site Plan request to build seasonal, weekly vacation rentals in a Rural District. Scope of project includes 4 cabins, 1 teepee, and 1 Lodge, with total renter capacity being 25 persons. Project is located at 6338 CR 36 in the Town of Canadice.	

2014 COMMENTS: Referral #22-2014 discussed at March 2014 CPB meeting.

- Ontario County DPW correspondence to Grove Engineering regarding their review of the revised site plan and request for additional information is attached for review.
- Due to the very high erodibility of the soils within the project location, all work should be completed in conformance with a SWPPP. (A SWPPP was not provided with this referral.)

that state they Department has inspected the property at 6338 County Road 36 on January 23, 2016 and that they “have no concern on being able to have accessibility to the property.”

- Septic: There is a proposed septic system noted that will include a 1000 gal septic tank, effluent filter, distribution box and speed levelers. The system design should be inspected and approved by NYS Department of Health to ensure that the system will have no negative impact on the surrounding water quality including that of the lake.
- Proposed water supply includes utilizing a 1100 gallon tank to store water. The NYS Department of Health should be consulted to ensure that there’s no additional requirements involved related to the storage of potable water for use by patrons.

SWCD Comments:

- How will the drainage/runoff be controlled from the existing logging trail and the mulched walkway and the existing parking area and gravel driveway? It is not shown on the plans.

23 - 2016	Town of Geneva Zoning Board of Appeals	Class: 1
Referral Type:	Special Use Permit	
Applicant:	Rayburn, Donald & Karen	
Property Owner:	Thompson, Robert and Diane	
Tax Map No(s):	133.16-1-3.200	
Brief Description:	Special Use Permit to convert a single family residence into a Bed and Breakfast. The parcel is located at 4375 SR 14 (West Lake Rd) on Seneca Lake in the Town of Geneva.	

COMMENTS:

- Special Use Permit approval to convert a single family residence to a Bed and Breakfast.
- No proposed changes to the existing structure are included in referral documents.
- Referring board is encouraged to contact local emergency response to ensure there is adequate space for responders in the event of an emergency.
- According to ONCOR:
 - The property is located next to Seneca Lake.
 - The property is located within a FEMA floodplain.
 - The property is not located within 500 ft. of an Agricultural District.

significance.

Final Recommendation: Denial

26 - 2016	Town of Farmington Town Board	Class: 2
Referral Type:	Map Amendment	
Applicant:	Town of Farmington	
Property Owner:	Frank Shumway, III c/o Ontario Propertie	
Representative:	S.B. Ashley Management	
Tax Map No(s):	29.00-1-9.111	
Brief Description:	Map Amendment to rezone a 25 acre parcels from RB - Restricted Business to RMF - Residential Multiple-Family, to construct a 100 townhouse development located on the southwest corner of Collett Rd. and SR 322 in the Town of Farmington.	

Comments

The Town of Farmington is considering a request rezone the 25 acre parcel located at the SW corner of Collett Rd. and SR 332 and West Corporate Rd. from RB – Restricted Business to RMF – Residential Multiple Family to accommodate a 100 unit townhouse development. The developer also owns the adjoining multiple family residential development and wants to provide a different type of residential product at this location.

- The current Restricted Business District allows for a wide variety of uses including offices, banks, hotels/motels, etc. Link to zoning code: [Town of Farmington, RB Zoning District](#)
- The Town's Comprehensive Plan identifies this location as:
Subarea 5 - The Future Land Use Plan Map continues to recommend RB Restricted Business
 use for the parcel of land located at the southwest corner of the intersection of State Route 332 and Collett Road. This parcel of land has frontage along State Route 332, Collett Road and Corporate Drive West.
- The parcel has many 'shovel ready' components including proper zoning, public water and sewer, an intersection designed for commercial/light industrial development that is not encumbered with high levels of congestion, a high visibility, gateway location to Ontario County. Such locations are important for the County's economic development portfolio.
- While providing a residential opportunities is important, the Town of Farmington has a substantial inventory of diverse existing and planned residential developments.

27 - 2016	Village of Victor Planning Board	Technical Review
Referral Type:	Site Plan	
Applicant:	Ferris, Dr. Bill	
Property Owner:	Ferris Properties	
Representative:	BME Associates	
Tax Map No(s):	16.17-2-36 16.17-2-37 16.17-2-38 16.17-2-39 16.17-2-40.21 16.17-2-40.22	
Brief Description:	Site Plan request to construct a 28,600 sq ft mixed-use - grocery/ retail / apartment project. The proposed development will consolidate 6 parcels, 4 of which are currently residential in use and 2 of which are vacant to make the total parcel 2.65 acres. Project located at intersection of SR 96 and School St. in the Village of Victor.	

Technical comments from the Department Staff will be provided to the municipality by the end of the month.

Class Abbreviations

28 - 2016	Village of Victor Planning Board	Class: 1
Referral Type:	Site Plan	
Applicant:	Rawson Road Partners LLC	
Property Owner:	Rawson Road Partners LLC	
Representative:	MRB Group	
Tax Map No(s):	27.08-1-1.121	
Brief Description:	Site Plan request to construct a 66k sq ft industrial/office on a 7.3 acre parcel. Project is located at 100 Rawson Rd. in the Village of Victor.	

COMMENTS:

- According to ONCOR data:
 - Both State and Federal (Freshwater Forested/Shrub Wetland) wetlands are present on the property.
 - The property is not located within a FEMA floodplain.
 - The property is not located within 500 ft. of an Agricultural District.

SWCD Comments:

- No erosion or sediment control information was provided for review. This project will require SPDES stormwater permit coverage. The wetland was delineated 16 years ago. A recent delineation would be beneficial to ensure accuracy and to confirm that wetland boundaries are clearly marked in the field. How will the wetlands on site/adjacent to the site be protected during construction? There are no limits of clearing shown on the plans.

Note: Additional Comments will be provided at the CRC.

29 - 2016	Village of Victor Planning Board	Class: 1
Referral Type:	Site Plan	
Applicant:	Mitchell Design Build	
Property Owner:	Victor Self Storage LLC	
Representative:	Turner-Adams, Roseanne	
Tax Map No(s):	28.05-1-56.210	
Brief Description:	Site Plan request to expand existing use on 5.7 acre property by constructing two additional buildings (4,320 sq ft & 6,250 sq ft) and extend existing pavement. Project is located at 200 School St. in the Village of Victor.	

COMMENTS:

- Applicant is requesting a Site Plan to expand the existing use of the property, with two additional buildings and an extension of existing pavement.
- Construction of two new buildings, #7: 4,230 sq ft & #8: 6,250 sq ft.
 - Discrepancy in square footage of building #8 between Site Plan (5,750 sq ft) and Site Plan Review Application (6,250 sq ft).
- Disturbance area: 0.98 acres
- According to ONCOR data:
 - No State or Federal wetlands are present on the property.
 - The property is not located within a FEMA floodplain.
 - The property is not located within 500 ft. of an Agricultural District.

SWCD Comments:

- No erosion or sediment control information was provided. Also, the landscaping notes call for fertilizer. Soil tests should be conducted to determine if fertilizer is needed prior to applying fertilizer. Also, jute netting is referenced in the landscape notes. The location of the jute netting is not shown on the plans. Also, a raingarden seed mix is specified in the landscaping notes. Where will this seed be used?

Referral Type:	Special Use Permit	
Applicant:	Rochester Road LLC	
Property Owner:	Rochester Road LLC	
Tax Map No(s):	70.00-1-8.221	
Brief Description:	Special Use Permit for proposed sign at the existing Admar location. Project is located at 2390 SR 332 in the Town of Canandaigua.	

Policy AR-7: Signs

The County Planning Board has long taken an interest in supporting local efforts to limit excessive signage. The Board has identified the following road as a primary travel corridor for tourists visiting Ontario County: **State Route 332**

The intent is to protect the character of development along these corridors by encouraging local boards to adhere to their adopted laws as much as possible.

- B. Applications for signs complying with local limits on size and number.

Final Classification: Class 1

Findings

1. Signs that comply with local dimensional requirements will have the minimal practical level of impact on community character.

Final Recommendation: The CPB will make no formal recommendation to deny or approve applications for signs that comply with local limits on size and or number.

EX: Exempt

W: Withdrawn

The intent of this policy is to:

- Address residential development that may infringe on County ROW's or easements for roads and other infrastructure.
- Address traffic safety along intermunicipal corridors by encouraging proper placement of residential driveways along County roads.
- Address impacts to ground and surface waters

B. The following applies to all development on parcels with lake frontage that require;

- **variances pertaining to lot coverage or,**
- **variances pertaining to side yard setbacks or,**
- variance pertaining to lake shore setbacks

The CPB's role of reviewing and making recommendations on county wide development has provided a unique perspective on the trend of more intensive development and use of lakefront lots. Of particular concern are the incremental negative impacts to water quality and the character of our lakefront neighborhoods. The following policy is a result of discussion and debate spanning 18 months as well as consultation with outside agencies directly involved with water quality issues in Ontario County. The intent is to address over development of lakefront lots and support the clearly stated interest by local decision makers to do the same.

Final Classification: 2

Findings:

1. Protection of water features is a stated goal of the CPB.
2. The Finger Lakes are an indispensable part of the quality of life in Ontario County.
3. Increases in impervious surface lead to increased runoff and pollution.
4. Runoff from lakefront development is more likely to impact water quality.
5. It is the position of this Board that the legislative bodies of lakefront communities have enacted setbacks and limits on lot coverage that allow reasonable use of lakefront properties.
6. Protection of community character, as it relates to tourism, is a goal of the CPB.
7. It is the position of this Board that numerous variances can allow over development of properties in a way that negatively affects public enjoyment of the Finger Lakes and overall community character.
8. It is the position of this Board that such incremental impacts have a cumulative impact that is of countywide and intermunicipal significance.

Final Recommendation: Denial

32 - 2016	Town of Canandaigua Planning Board	Class: AR-1
Referral Type:	Area Variance	
Applicant:	Rose Richman	
Property Owner:	Rose Richman	
Representative:	Meagher Engineering	
Tax Map No(s):	137.00-2-52.000	
Brief Description:	Area variance approval for the construction of a new single family home proposed to be 35 ft high when 30 ft is allowed. Property located at 7679 Evert Rd. in the Town of Bristol.	

COMMENTS: See referral #32.1-2016 for project summary and comments.

32.1 - 2016	Town of Canandaigua Planning Board	Class: AR-1
Referral Type:	Site Plan	
Applicant:	Rose Richman	
Property Owner:	Rose Richman	
Representative:	Meagher Engineering	
Tax Map No(s):	140.11-1-20.000	
Brief Description:	Site Plan approval for the construction of a new single family home proposed to be 35 ft high when 30 ft is allowed. Property located at 7679 Evert Rd. in the Town of Bristol.

Policy AR-5: Applications involving one single family residential site, including home occupations.

The intent of this policy is to:

- Address residential development that may infringe on County ROW's or easements for roads and other infrastructure.
- Address traffic safety along intermunicipal corridors by encouraging proper placement of residential driveways along County roads.
- Address impacts to ground and surface waters

C- All other applications subject to policy AR-5.

Final Classification: Class 1

Findings:

1. As of 2005 69% of the parcels in Ontario County were classified as one or two family residential. Between 2000 and 2005, 2,018 residential parcels were added to the County's tax rolls (*Ontario Co. RPTS Annual Report*)
2. Collectively individual residential developments have significant impacts on surface and ground water.
3. Proper design of on-site sewage disposal is needed to protect ground and surface waters.
4. Proper storm water and erosion control is also needed to achieve that same end.
5. Standards related to protecting water quality and traffic safety have been established by agencies such as the American Association of State Highway and Transportation Officials (AASHTO), and NYSDEC.
6. These issues can be addressed by consulting appropriate agencies during local review and ensuring that those standards are met.
7. The local Board is encouraged to grant the minimum variances necessary.
8. The applicant and referring agency are strongly encouraged to involve Ontario County Soil and Water Conservation District as early in the review process as possible to ensure proper design and placement of on-site septic.
9. The applicant and referring agency are strongly encouraged to involve Ontario County Soil and Water Conservation District as early in the review process as possible to ensure proper design and implementation of storm water and erosion control measures.

Final Recommendation –The CPB will make no formal recommendation to deny or approve.

General Information

The Ontario County Planning Board was established by the Ontario County Board of Supervisors under the provision of NYS General Municipal Law Article 12-B Section 239-c. County Planning Boards. The state legislature determined in §239-c. 1. (a), (b), (g) & (f):

1. Legislative findings and intent. The legislature hereby finds and determines that:

(a) Significant decisions and actions affecting the immediate and long-range protection, enhancement, growth and development of the state and its communities are made by county planning boards.

(b) County planning boards serve as an important resource to the state and its localities, helping to establish productive linkages between communities as well as with state and federal agencies.

(f) The great diversity of resources and conditions that exist within and among counties requires consideration of such factors by county planning boards.

(g) It is the intent of the legislature therefore, to provide a permissive and flexible framework within which county planning boards can perform their power and duties.

Note: I, (d), and (e) refer to the county comprehensive plan.

The CPB membership consists of one representative from each of the 16 towns and 2 cities who are selected by the town board or city council and formally appointed by the Board of Supervisors for terms of 5 years. Members representing a town, also represent any village(s) located with the town.

General Summary of CPB Review Responsibilities

This section provides a general summary of the CPB's roles and responsibilities. The specific responsibilities of a county planning board are found in §239 l, m, & n and the CPB Bylaws approved by the Ontario County Board of Supervisors. (Links: Complete §239 text Page151: [Guide to NYS Planning and Zoning Laws](#) and [Ontario County Planning Board Bylaws under "Quick Links"](#))

The Ontario County Planning Board reviews certain zoning and planning actions prior to the final decision made at the village, town, or city level and makes a recommendation to the municipality. Although CPB review is required, the action is advisory in nature and can be overridden at the local level (super majority if a Disapproval).

NYS law spells out the types of actions reviewed by the CPB:

- Adoption or amendment of zoning regulations (text and/or map)
- Comprehensive plans
- Site plan approvals
- Special use permits
- Variances
- Any special permit, exception, or other special authorization which a board of appeals, planning board or legislative body is authorized to issue under the provisions of any zoning ordinance
- Subdivisions

NYS law specifies that CPB is required for the above actions to occur on real property lying within a distance of 500 feet from any:

- Boundary of any city, village, or town boundary
- Existing or proposed county or state park or other recreation area,
- Right-of-way of any existing or proposed county or state parkway, thruway, expressway, road or highway, existing or proposed right-of-way,
- Stream or drainage channel owned by the county or for which the county has established channel lines, or
- Existing or proposed boundary of any county or state owned land on which a public building or institution is situated.

General Procedures

Class Abbreviations

AR 1: Administrative Review Class 1

AR 2: Administrative Review Class 2

EX: Exempt

W: Withdrawn

The Ontario County Planning Board meets once each month to review referred local actions for intermunicipal and countywide impacts. They are separated into two categories: Class 1 & Class 2.

Class 1s are applications that the CPB has formally decided have little potential intermunicipal or countywide impact. For Class 2 applications, the CPB has determined that there will be potential impacts before voting to approve, modify or deny.

Legal Obligations for Referring Agencies

Class 1: If an application has been returned to the referring agency as a Class 1, then the only requirement is that they consider any Board comments forwarded to them by the CPB. Referring agencies are asked to read any Board Comments into the minutes of a meeting or hearing held for the subject application.

Class 2: If the CPB has voted to deny or modify a referred application then the local board needs a majority plus one vote of their full board to act contrary to that decision. CPB approvals without modification require no extraordinary local action. However, in all cases, the referring agency is still required to consider CPB comments as they would for Class 1 applications.

Incomplete Applications

Referrals need to meet the definition of “full statement of such proposed action” in NYS General Municipal Law. The CPB’s determination regarding the completeness of a particular application is supported by factual findings and is made, whenever practical, after consulting with the submitting official or the chairs of referring agencies. The CPB will not make a recommendation on an application that they have determined to be incomplete. NYS General Municipal Law, Article 12-b Section 239-m I

Reporting back to the CPB

Report of final action – Within thirty days after final action, the referring body shall file a report of the final action it has taken with the county planning agency or regional planning council. A referring body which acts contrary to a recommendation of modification or disapproval of a proposed action shall set forth the reasons for the contrary action in such report.”

NYS General Municipal Law, Article 12-b Section 239-m, Part 6.

Administrative Reviews

The Ontario County Planning Department prepares administrative reviews of referrals as authorized, in accordance with the CPB bylaws. The bylaws include criteria that identify applications that are to be reviewed administratively and specify the applicable recommendations that are to be made to the municipality. AR-1 is an administrative review that is a Class 1 and AR2 is a review as a Class 2 and require local board action if disapproved. The following table summarizes the administrative review policies specified in the bylaws.

Administrative Review (AR) Policies:– Ontario County Planning Board By-Laws Appendix D	
AR-1	Any submitted application clearly exempted from CPB review requirements by intermunicipal agreement
AR-2	Applications that are withdrawn by the referring agency
AR-3	Permit renewals with no proposed changes
AR-4	Use of existing facilities for a permitted use with no expansion of the building or paved area (Applications that include specially permitted uses or the addition of drive through service will require full Board review)
AR-5 A. Class 2 Disapproval	Applications involving one single-family residential site infringing on County owned property, easement or right-of-way.
AR-5 B.	Applications involving one single-family residential site adjoining a lake that requires an area variance
AR-5 C.	All other applications involving a site plan for one single-family residence.
AR-6	Single-family residential subdivisions under five lots.
AR-7 A. Class 2 Disapproval	Variances for signs along major designated travel corridors.
AR-7 B.	Applications involving conforming signs along major travel corridors.
AR-8	Co-location of telecommunications equipment and accessory structures on existing tower and sites (Applications for new towers or increasing the height of an existing tower will require full Board review)
