Social Security Celebrates Hispanic Heritage Month

Social Security helps secure today and tomorrow

We know the importance of “familia” in Hispanic culture, and we’re proud to celebrate Hispanic Heritage Month (Sept. 15 to Oct. 15) by helping build a secure future for you, your family, and your future family.

You can learn more about how Social Security helps secure today and tomorrow for millions of families by visiting www.socialsecurity.gov/people/hispanics/.

Hispanics make up our nation’s largest ethnic minority group with a population of 56.6 million, according to 2015 statistics from the U.S. Census Bureau. Social Security is here to help maintain and improve our economic well-being for generations to come.

Currently, we do this by providing retirement, disability, and other benefits to 61 million people, including nearly 3.5 million Hispanics, who have contributed to the Social Security system through their payroll taxes. Social Security also provides a safety net to the families of American workers who become unable to work due to grave impairments or have died.

We work hard to provide enhanced customer service and to educate millions of Americans about the importance of our programs and benefits. This allows us to connect with the Hispanic community in meaningful and efficient ways.

If Spanish is your primary language, you can visit www.segurosocial.gov, our Spanish-language website. It provides hundreds of pages of important information about how to get a Social Security card, plan for retirement, apply for benefits, and manage your benefits once you’re receiving them. Many of our offices have staff who speak Spanish, or you can call 1-800-772-1213 from 7

a.m. to 7 p.m. weekdays and select the option for Spanish.

Nationwide, our public affairs specialists reach out to thousands of Hispanic Americans each year to raise awareness of the benefits they may qualify for and to learn the advantages of setting up a *my Social Security* account at www.socialsecurity.gov/myaccount.

These specialists promote our programs at local events, health fairs, libraries, schools, and community organizations that serve the public, including the Hispanic population. Some of our bilingual staff serve as contributors to Spanish-language television, radio stations, and newspapers. They also visit embassies and consulates in the U.S. representing Latin American countries to educate diplomatic leaders and new immigrants about Social Security programs.

Spanish-speaking individuals wishing to apply for retirement, disability, survivor, and other benefits, as well as Medicare, can now request an appointment online at www.socialsecurity.gov/applyforb

enefits for an in-person interview or telephone claim with a bilingual representative.

LEARNING THE LINGO OF SOCIAL SECURITY

Is Social Security a topic in your conversations these days? Are you familiar with the lingo used to describe Social Security benefits, or does it sound like a new vocabulary to you?

Social Security employees strive to explain benefits using easy-to-understand, plain language. But if a technical term or acronym (an abbreviation of the first letters of words in a phrase) that you don't know slips into the conversation or appears in written material, you can easily find the meaning in our online glossary at www.socialsecurity.gov/agency/glossary.

GENERAL

Q. *I am receiving Social Security retirement benefits and I recently went back to work. Do I have to pay Social Security (FICA) taxes on my income?*

A. Yes. By law, your employer must withhold FICA taxes from your paycheck. Although you are retired, you do receive credit for those new earnings. Each year Social Security automatically credits the new earnings and, if your new earnings are higher than in any earlier year used to calculate your current benefit, your monthly benefit could increase. For more information, visit www.socialsecurity.gov or call us at 1-800-772-1213 (TTY 1-800-325-0778).

Q. *My child, who gets Social Security, will be attending his last year of high school in the fall. He*

for his benefits to continue?

A. Yes. You should receive a form, SSA-1372-BK, in the mail about three months before your son's birthday. Your son needs to complete the form and take it to his school's office for certification. Then, you need to return page two and the certified page three back to Social Security for processing. If you can't find the form we mailed to you, you can find it online at: www.socialsecurity.gov/forms/ssa-1372.pdf.

RETIREMENT

Q. *How are my retirement benefits calculated?*

A. Your Social Security benefits are based on earnings averaged over your lifetime. Your actual earnings are first adjusted or "indexed" to account for changes in average wages since the year the earnings were received. Then we calculate your average monthly indexed

earnings during the 35 years in which you earned the most. We apply a formula to these earnings and arrive at your basic benefit. This is the amount you would receive at your full retirement age. You may be able to estimate your benefit by using our *Retirement Estimator* which offers estimates based on your Social Security earnings. You can find the *Retirement Estimator* at www.socialsecurity.gov/estimator.

Q. *I want to estimate my retirement benefit at several different ages. Is there a way to do that?*

A. Use our *Retirement Estimator* at www.socialsecurity.gov/estimator to get an instant, personalized retirement benefit estimate based on current law and your earnings record. The *Retirement Estimator* lets you create additional "what if" retirement scenarios based on different income levels and "stop work" ages.

SOCIAL SECURITY IS THERE FOR THOSE WHO SERVED OUR COUNTRY

The men and women who served our country in the military can count on Social Security to be there for them throughout their lives.

Active duty military members earn credits toward Social Security retirement benefits. Wounded Warriors can receive expedited handling of their claims to receive disability benefits. We also provide survivor benefits for young children and spouses of veterans who have died.

You can learn more about how Social Security helps our veterans build a secure financial future for themselves and their families at www.socialsecurity.gov/people/veterans.

Our newest initiative, *Journey to Success: Employment Tools for Veterans with Disabilities*, is a five-part online guide that helps certain disabled veterans return to fulfilling employment in the American workforce. The guide highlights resources, such as career counseling, job training, employment services, and more.

You can access *Journey to Success* at www.ssa.gov/people/veterans/.

We know some veterans suffered injuries so severe they cannot return to their previous work. However, for those veterans who are interested in testing their ability to find and maintain gainful employment, these resources can help. We thank all members of our military and veterans for their service and sacrifice. To learn more about our programs and benefits, visit www.socialsecurity.gov.
