**RESOLUTION NO. 159-2020
 CALLING ON THE GOVERNOR AND NEW YORK STATE LEGISLATURE TO
 PRESERVE THE 50/50 COST SHARE OF 730.20 COMPETENCY
 RESTORATION SERVICES TO THE COUNTY MENTAL HEALTH
 COMMISSIONERS**

WHEREAS, The Governor's proposal would require counties to pay 100% of the Office of Mental Health (OMH) State Operations costs for certain individuals receiving mental health treatment at State-operated Forensic Psychiatric Centers; and

WHEREAS, Historically, counties have paid 50% of the per diem rate set by OMH, which has now reached an unsustainable cost burden on county budgets; and

WHEREAS, The derivation of Section 43.03 of Mental Hygiene Law (MHL), dates back to 1907 and allows the State to offset the costs of operating its Forensic Psychiatric Centers at county expense; and

WHEREAS, This statute no longer reflects the current mental hygiene system or the NYS Unified Court System and needs to be updated to be consistent with other statutes that makes the State responsible for its own costs for the treatment of mentally ill individuals in State-operated Forensic Psychiatric Centers; and

WHEREAS, Despite the fact that counties are now paying half of such restoration services, the Executive Budget proposal shifts 100% of these costs to the counties; and

WHEREAS, OMH has also taken the position that the County Mental Health Commissioners are not entitled to any information about the treatment they are paying for; and

WHEREAS, Other payors for medical services are clearly entitled both under HIPAA and the MHL to receive information about the services for which payment is sought; and

WHEREAS, OMH also indicates counties should be responsible for any medical or hospitalization costs incurred for individuals mandated to competency restoration which, depending on the medical or surgical treatment required could result in hundreds of thousands of dollars and have devastating impacts on county budgets; and

WHEREAS, In NYS the counties through county tax levy, already bear an overwhelming portion of the financial burden for supporting individuals suffering from serious mental illness and assuming 100% in 730.20 competency restoration costs will take away millions of dollars for critical behavioral health programming in the community; and

WHEREAS, The 2019 Ontario county cost for 730.20 restorations was \$500,000; doubling this cost would have significant impact on the budget and subsequently on services available to county residents; and

WHEREAS, Counties are requesting members of the NYS Senate and Assembly reject the Governor's proposal to shift 100% of the cost of 730.20 competency restoration services to the County Mental Health Commissioners in the SFY 2020-21 Enacted State Budget; and

WHEREAS, The Health & Human Services and Governmental Operations and Insurance Committees have reviewed and support this resolution; now, therefore, be it

RESOLVED, That the Ontario County Board of Supervisors calls on the Governor and the Office of Mental Health to strongly reconsider the enactment of this proposal which will cripple county budgets and have a devastating impact on the counties' ability to pay for behavioral health programs that are critical for serving the State's most vulnerable populations, and further

RESOLVED, That certified copies of this resolution be sent by the Clerk of this Board to Governor Andrew Cuomo, Senate Majority Leader Andrea Stewart-Cousins,

Assembly Speaker Carl Heastie, Assemblyman Brian Kolb, Senator Rich Funke, Senator Pamela Helming and the New York State Association of Counties.
