For filing with Secretary of State

This is to certify that the Ontario County Industrial Development Agency has been established by special act of the New York State Legislature and the following is set forth pursuant to Section 856 of the New York State Industrial Development Agency Act:

(1) The special act establishing the Agency was passed June 17, 1971 by Chapter 533 of the Laws of 1971 which became effective June 17, 1971.

(2) The name of the agency is:

Ontario County Industrial Development Agency.

(3) The names of the members of the Agency, their chairman, and their terms of office are as follows:

Name		Term of office expires
Joseph J. Koos	Chairman	December 31, 1971
Arthur S. Hamlin	Member	
James I. Wyckoff	Member	
Richard Iversen	Member	
James T. Wethey	Member	

(4) The facts establishing the need for such Agency in the municipality are as follows:

The County of Ontario is situated in the center of a triangle the three points of which are the areas of Buffalo, Rochester, and Syracuse. Through the center of this triangle runs the New York State Thruway, the main artery of the state. Ontario County is in an enviable position to attract light commerce and industry if it is given the tool with which to do so. The tool is this agency. The county at the present time is feeling a rise in the numbers of unemployed and money is tight in this county as it is in other counties of the state. The agency is in a position to help the county with its employment and money problems. The agency will help to bring prosperity to Ontario County and to the other counties that touch it.
